Dear Carol,

Hi Babe! Boy what a time right? Well, maybe someday I'll get home, although now it looks doubtful.

I don't know where to begin, cause we've done quite a bit together. There are a lot of things to be remembered, and a few we should forget.

Never forget all the crazy things we've done, such as Creighton's Prom & ours. Gads!

It's too bad that we couldn't have been in the same grade. Gosh, you'd be out of that prison; just think you could visit me every day.

Best of everything to the nicest friend I've had. I hope that your every wish comes true. You deserve the very very best.

Come see me soon, OK?

A friend always,

Connie Jo

Dear Carol,

It's taking me so long to write in here, you'd think I didn't have anything to say. (??) How about that time of Lois's slumber party. How come you and Carolyn went to sleep anyway??!

How about that time we went to Bill's? It was pretty nice having a chauffer then.

All these lunch hours this year will add to all our "pleasant" (?) memories!

Good luck to a real swell girl! I know you'll go far in the ol' world. Good luck though anyway - especially with Bill.

Carol,
Remember
when you mom
used to teach our reading
school. You & Charlotte
came out for a Christmas program
once and we had a ball afterwards but
it doesn't seem that we're seniors but
we are. Best of luck to a swell gal:

a classmate & friend,
Merle

Carol,
I'll see you
guess who's
Peggy Norwood

Dear Carol,
Best of luck to a real
lucky girl. Not everybody
has Bill Stolp hooked.
Remember the day up at
the lake? Do you want a ? I
sure could use one after
all that. At least I made
it to school the next day.
I never forget the nights you used
to leave the games and go down to Rufi's house
for a quicky. I could write a book on the things
we used to do but they are in the past and I
wish they would return. Best of luck to
you and old "Bud" Stolp on it Brain Belt.
Lennis
'63

Dear Carol,
Best of luck
in the future
and don't forget
all the fun we
have had at
P.H.S. It doesn't
seem possible
that we are
seniors. Take
care of yourself
and I am sure
you will succeed
A friend and classmate
Charlotte.

Dear Carol,
Remember the time we played hide and go seek over to Carolyn's? Calvin had so much trouble, I think he went to go over there & hide. Here's wishing you the best of luck in the years to come. Look out for that "Stop" sign!

A classmate,
Julie S.

Dear Carol,
Remember all the fun we had out at the drive-in. Than there was! ? ! Wee!! What fun. I still don't see how we passed. Here's wishing you the best of luck. That is easy on Bill (I probably should tell Bill to be easy on you.) That reminds me don't forget the night Kenny and Bill were standing outside in the stocking feet. That was so funny. Well again. Loads of luck to you.

A classmate,

Dear Carol, Hey lets go out in a hail storm. I'll see what terrible. I didn't dress for it. I was in last minute. I went to Norfolk and stayed at the Wacait to Brunswick!!! on trips to 3 in a bed... February - I did my car see where I better save some room for your other friends to sign. Thru John Henry! Tiger 63"

Beats me. I guess I had to be good to Bill!!

Help!! when we everyone the side door then all of a sudden I'm staying with Carol especially don't forget that more fun?! Now let me see!
